Final report and  
future orientations

ASEF culture360 is delighted to present ***Recalibrating the Compass: New Approaches to Asia-Europe Cultural Relations***, a new publication presenting the key findings and recommendations that emerged from our [\*\*\*Recalibrating the Compass roundtable series\*\*\*](#).

Authored by cultural policy expert Jordi Baltà Portolés, who co-designed the roundtables and wrote the individual reports, ***Recalibrating the Compass: New Approaches to Asia-Europe Cultural Relations*** summarises the insights, ideas and recommendations highlighted throughout the series and presents guidance for future work in the field of Asia-Europe cultural relations.

Apart from passing on knowledge on how to navigate the current challenges of international cultural relations, this publication will provide some starting points when thinking about the roles stakeholders can play in the field of Asia-Europe cultural collaboration and possible strategies for a post-pandemic recovery.

We invite you to discover ways to navigate the complexities of cultural relations and we look forward to developing stronger relationships between Asia and Europe.
