conference and festival

Light, Art, the Universe and Everything is a one-day conference taking place in Durham on 13 November, at *Lumiere* 2015, the UK's largest light festival. The conference will explore how light can change the world through arts and culture, science and innovative use of public spaces. A one-day conference for the curious at [Lumiere 2015](#) in Durham, the UK's largest light festival, exploring how light can change the world. Inspired by **UNESCO's International Year of Light 2015**, the event is hosted by *Lumiere* festival producer Artichoke in association with Durham County Council. The Lumiere 2015 festival runs in Durham in the North East of England from 12-15 November. Delegates are also invited to visit the festival during the evening and enjoy *Lumiere's* spectacular public programme of installations created by internationally acclaimed artists.
