...esented at TROPFEST Roughcut | George Town Festival

TROPFEST_Roughcut The Asia-Europe Foundation (ASEF) will be at TROPFEST Roughcut between 28 to 29 June 2013, to present film.culture360.asef.org and attend the screening of *10 Lessons in Film*, which was originally launched by ASEF and the International Association of Film and Television Schools (CILECT) in 2011. As part of the month-long George Town Festival in Penang, Malaysia, TROPFEST Roughcut is an opportunity for film professionals to discuss about the craft and production of film-making in the ASEAN region. The event comprises a symposium in presence of international filmmakers and industry professionals, as well as a screening of the documentary series titled 10 Lessons in Film. On the first day of the event, Ms Valentina RICCARDI, Project Manager at ASEF's Cultural Exchange Department, will make a presentation of film.culture360.asef.org, ASEF's web portal dedicated to independent cinema in Asia and Europe. See more about the event here. See the detailed programme here: ProgrammeTropfest TROPFEST Southeast Asia is currently calling for entries!
