Every week with a poem and artist video from Ireland

[A poem for a Monday morning...](#) What better way to start the week, wherever you are in the world? Every week we will be uploading a poem and accompanying video artwork, in celebration of Ireland's literary and visual creativity.

Week by week, over six months, you'll be able to follow the work of leading, and emerging artists and writers, and discover Ireland through different eyes.

Be moved, inspired, enthralled.

[The Poetry Project](#) is absolutely free, and is presented as part of the Culture Programme of the EU Presidency (January - June 2013)

You can still catch up on the poems and videos you have missed - there's some lovely work here!
