## Asian Cinema Fund

The 2024 Asian Cinema Fund (ACF) is open for submissions in post-production, script development and documentary for Asian films.

ACF is committed to supporting more **independent film productions** and to **setting up a stable production environment**. ACF helps **Asian feature films and documentaries** establish their identities and position themselves as important parts of the film industry. During the **Busan International Film Festival**, ACF provides a forum for Asian filmmakers to share their **knowledge**, leading to a pan-Asian network. Also, in cooperation with other international film festivals, ACF enables high quality Asian films and documentaries to be presented around the world.

General eligibility is for **feature-length film projects by directors of Asian nationality and containing Asian elements**. (Please check each fund's Submission Guidelines for more information.)

## Script Development Fund

The Script Development Fund provides cash grant to talented Asian independent filmmakers to complete their first or second feature-length fiction film scripts that are in development. The fund also supports at least one project by a graduate of Busan International Film Festival's Asian Film Academy (AFA).

The fund provides a cash grant of 10 million KRW.

## Post-Production Fund

The Post-Production Fund provides post-production services to a select number of Asian independent feature-length fiction film projects.

The fund provides:

- **Post-production services** at leading studios in South Korea
- **Round-trip airfare** to, and accommodation in, South Korea

Upon completion, the selected projects are required to make their world premieres at Busan International Film Festival.

## Asian Network of Documentary (AND) Fund

This fund provides funding to Asian independent documentary filmmakers to complete their feature-length documentary film projects that are targeted for theatrical release.

The fund provides a cash grant of up to 20 million KRW.
