In 2012, the [Asia-Europe Foundation](#) (ASEF) will host a special film screening programme under the theme, ***Mutual Perceptions between Asia and Europe***, as part of a series of events to celebrate its 15th anniversary.

This film programme will be developed by ASEF and the [National Museum of Singapore](#) and will be held in Singapore in May 2012. It will include Asian and European productions focusing on each region and will comprise of both feature films and short films.

ASEF and the National Museum invite emerging Asian and European filmmakers to submit short films to show at this prestigious event. The films can interpret the theme creatively and cover relevant bi-regional issues such as immigration, culture clashes, second generation migrants, returning to one's cultural roots, etc., or involve an exchange of knowledge, expertise or influence in terms of stylistic approach to filmmaking between the two regions. The programme will be curated by the National Museum of Singapore.

If you are from one of the countries in the list below* and have a film that touches upon issues surrounding perceptions between Asia and Europe, please send two viewing copies on DVD to the National Museum of Singapore to be selected.
