impakt critical media culture

call for curators

Impakt Festival 2013
Utrecht, the Netherlands
30 October - 3 November

IMPAKT (foundation for critical media culture) in Utrecht (NL) invites interested parties to submit curatorial proposals for the 2013 Impakt Festival, which will take place from 30 October – 3 November focusing on the theme ‘Capitalism Catch 22’.

The Impakt Festival is the annual culmination of the activities of Impakt as an organisation that specialises in critical media culture: a multi-media festival with conferences, readings, performances, screenings, exhibitions, presentations and music.

The curatorial proposal can be submitted by curators individually or collectively and should revolve around this year’s theme:

CAPITALISM CATCH 22 (working title)

Many people argue that, so far, humanity hasn’t come up with any feasible alternatives to capitalism, whilst – at the same time – this economic system seems a dead end. How do we solve this dilemma?

Submission deadline: March 18 2013
