International artist residency opportunities at Artlink in rural County Donegal, Ireland. One of the four residencies offered for 2021 is open to a visual artist living anywhere in the world.

The Artist-in-Residence scheme is open to professional Visual Artists working in any discipline including but not limited to: sculpture, photography, painting, installation, and video.

Residencies will take place from March till December 2021, and last for four weeks (This can be split into two or more visits). Artlink is a thriving artist-led visual arts organisation, formed in 1992, based at Fort Dunree, Inishowen, County Donegal. It exists to support the ambitions of local, national and international artists at all stages of their professional career. Artlink also makes a valuable contribution towards the creative development and wellbeing of the local community and helps build a strong sustainable culture and economy in the region. This is achieved through a programme of regional, national and international exchanges and residencies, solo exhibitions by local artists, practical creative workshops and participatory community events. In an area packed with ancient history and breathtaking scenery, Artlink connects and inspires people to produce creative projects uniquely rooted in ‘place’ and inspired by this rural, coastal context.
