festival

In the year 2011, it will be organizing the third edition of the festival which will be broadcast on Television Malta, Malta's national public broadcasting television station and streamed via internet.

The festival is open to all short films including animation, drama, thriller, experimental work and documentaries. This year there will be a new category for Best Advert or Public Service Announcement. The adverts can be locally produced or submitted from other countries, but proof of broadcast on television or the internet are required specifically for this category.

The primary contact completing the submission process must be authorized to submit the film for consideration including permission from a distributor or sales agent representing the film and must have obtained necessary permissions for the inclusion of copyrighted music, names and/or images within the film. The maximum duration of the films is 12 minutes including the credits. The films can originate from any country in the world.
