Trans Europe Halles - the European based network of cultural centres - is recruiting! Job opportunities for a **Development & General Manager** and a **Network Manager** to join the team at the TEH Coordination Office in Lund, Sweden.

**Deadline for applications: 8 September 2014.**

TEH is now in a period of strong development and growth and for that we need a new, dedicated and dynamic team that over three years will establish Trans Europe Halles as a lead organisation in providing professional development, consultancy and international exchange in the culture sector and in establishing an exciting new initiative: the TEH Academy.

We are therefore looking for a driven and experienced Development & General Manager and a skilled Network Manager to join our team at the Trans Europe Halles Coordination Office. The selected professionals will work with a vibrant network of engaged cultural activists from all over Europe who all share the values of the network: cultural equity, citizen participation, empowerment and sustainability.

With more than 50 members all over Europe, the network functions today as a dynamic forum for ideas, experiences and exchange, supporting its members and their communities. The long-term goal of Trans Europe Halles is to support and strengthen the sustainable development of its members, as well as culture initiatives originated by citizens and artists and the cultural sector as a whole.
