ATLAS – create your dance trails 2020

Choreographic Training Programme

ATLAS – create your dance trails is a module-based training programme embedded in the ImPulsTanz – Vienna International Dance Festival. It offers artists with first choreographic experiences a dynamic environment to intensively work on their artistic development. The programme is designed to address two of the most central needs of emerging choreographers: On the one hand, to have access to studio space for research and piece development and on the other hand, to gain new input through individual training programmes, by visiting a broad range of international dance productions and through exchanging with artists from more than 100 countries as well as through peer-to-peer exchange within the ATLAS group. In addition, weekly showings enable the participants to present their works or work steps.

With 3 studios exclusively for the ATLAS group, personal artistic coaching for developing solos or group work by the dance dramaturge **Guy Cools**, weekly (public) showings, meetings with choreographers of the [8:tension] Young Choreographers' Series, 10 ImPulsTanz workshops or 8 ImPulsTanz workshops and 1 research project, 20 tickets for ImPulsTanz performances, accommodation, bike or public transport ticket, admission the the ImPulsTanz parties and much more

The programme takes place from **8th July to 12th August 2020**.

Application deadline: 31st March 2020, 12:00 noon CET (subject to availability)
