The awardee will be announced during „The Long Night of the Lights” in September and is invited to participate again in the following NordArt. The award ceremony will then take place at the opening of the following NordArt.

#### Public Choice Award:

The visitors of the NordArt can vote for their favourite artist. The Public Choice Award will be awarded during ‚The Long Night of the Lights’ in September. The **1st Award is worth 1000 Euros**. The three winners are invited to participate again in next years NordArt.

#### NordArt-Symposium:

Each year the exhibition is preceded by the highly respected international NordArt Symposium, bringing together different generations of artists to share experiences and make art – all reflecting the ethos of NordArt itself. Approximately 10 artists are invited to attend the symposium and create large works for the NordArt. If you wish to attend the symposium, please mark the “Symposium” box in the application form. For this application we require a project description with details on the materials and dimensions, estimated time required, photos with examples of works. The participants at the symposium enjoy free materials, a workplace and accommodation at the exhibition site itself. The work created remains the property of the artist and will be exhibited at NordArt for at least 2 years – with the exception of works, which are sold.
