## applications

The Krishen Jit ASTRO Fund has been created by ASTRO and [Five Arts Centre](#) to encourage and support creative work in Malaysia. One of the main objectives of Krishen's pioneering work was to celebrate original Malaysian creativity in as varied and alternative ways as possible in all the areas of the arts.

His groundbreaking theatre practice straddled and brought together a wide range of contrasting spheres, producing projects that were inter-disciplinary, multicultural, multilingual and experimental. Negotiating between academia and practice, tradition and contemporary pop culture, Hollywood and Bollywood, the mainstream and the marginalized, Krishen's work articulated a Malaysian identity that was ever evolving and encouraged practitioners and audiences to reflect on their lives and societies.

Once again, in 2012, the fund will give out grants ranging from RM2,000 to RM20,000 for :

- Training
- Workshops
- Attachments/residencies
- Experimental productions
- Research and documentation
- Writing

- Creating new work in music, dance, theatre, writing, film, visual/performance art
- Others

The Krishen Jit ASTRO Fund will try to be inclusive, but work sited in Malaysia will be given preference. All arts practitioners in Malaysia are eligible to apply. The fund will be managed by Five Arts Centre and ASTRO.
