Wunder der Prärie | open call for festival projects

Call to artists for the international Festival Wunder der Prärie (Wonders of the Prairie) in Mannheim, Germany - seeking rampant, anarchic, absurd, questionable and wishful artistic projects of all genres on the theme 'Dreaming Loud'.

Every other year zeitraumexit presents performance, theatre- and dance productions as well as fine arts, dealing with a contemporary subject within the Festival Wunder der Prärie.

Wunder der Prärie stands for experimental art projects (fine and performing arts). It occurs in art spaces as well as in urban spaces and is a well-established part of urban life in the city of Mannheim.

In the year 2013 we are "Dreaming loud" – about social changes and the evolutions in urban planning. With their call for entries the organisers of the festival are searching for rampant, anarchic, absurd, questionable and wishful artistic projects of all genres.

Duration of the Festival: 18th September till 28th September 2013

Deadline: March 5th 2013 (date of postmark)
