Chiang Mai | call for nominations

The [Innovative Design Awards \(IDA\) 2012](#) by Chiang Mai Creative City (CMCC) is a new yearly initiative that aims to promote innovative and creative designs across multiple disciplines.

Good design is critical for Chiang Mai's handicrafts and home decor items, but also for food, spa and health products, retail, and the urban environment. The Innovative Design Awards (IDA) seeks to recognize, celebrate and promote good, innovative and creative designs by highlighting emerging talents, and reveal Chiang Mai to the outside world in a new light.

The benefits of the award include increased exposure, promotion and support with exports, ability to enter other award schemes, as well as participation and exposure at national, Asian and international events. Selected entrepreneurs may also receive support to further develop their products, capacities, and skills with the cooperation of CMCC's member organisations such as [Thailand Creative Design Center \(TCDC\)](#), [TDCL DEB](#), the [Department of Industrial Promotion \(DIP\)](#), and [NSTDA Northern](#)

Center (TCDC), TDCI, DIT, the [Department of Industrial Promotion \(DIP\)](#), and NSTDA Northern Office.
