Franti – Nisi Masa Italia is a cultural association based in Turin, created by cinema students and young professionals working in the audiovisual sector.

The main purposes of the association are:

- to enlarge the passion and interest for cinema among young people, by means of film screenings and workshops;
- to involve young people in European knowledge and awareness through actual meetings with participants coming from different countries;
- to reach these aims by enjoyment and entertainment: because, as the association's motto states, we think that “having fun is a serious matter”.

Franti organizes youth meetings, cinema lectures, screenings focussed on outstanding directors, scriptwriting workshops and courses. It is a member of the Turin Youth Centre.
