Kaleidoscope Studio (KS.bn) was founded in 2014, originally as an **art space** dedicated to nurturing the art and music scene in Brunei. In 2018, KS.bn pivoted to **offer art and graphic design services** as well as **event management**. It was at this time that KS.bn also became involved in **advocacy work for environmental causes**. KS.bn became known for being a catalyst for the local art scene and for their high quality graphics and awareness and fund raising campaigns.

Over the years Kaleidoscope has **initiated events** such as Contemporary Art Exhibits, Kaleidoscope Acoustic Sessions, Open Mics, Creative Insight sessions and more.

At present, their latest evolution involves the expansion of their services to include **art direction, branding and visual identity creation as well as online event management**. They utilise all their skills and experience gained in the past 7 years to offer clients intentional services to support their business goals.
