swiss arts council prohelvetia

The Swiss Arts Council Pro Helvetia is a foundation under public law, entirely funded by the federal government. It fulfils a subsidiary role, complementing the cultural promotion activities of the cantons and municipalities. Pro Helvetia is responsible for projects of nationwide significance.

Pro Helvetia is mandated by the Swiss Confederation to **promote artistic creation in Switzerland, contribute to cultural exchange at home and promote the dissemination of Swiss culture abroad** to foster cultural outreach. The foundation makes its own independent decisions about what it should promote.

Pro Helvetia supports projects in different ways: on the basis of **applications**, via its **network of cultural centres** and liaison offices abroad, within the framework of its own programmes and through **information and promotional materials**.
