MYANMAR

MAPPING OF FUNDING OPPORTUNITIES FOR INTERNATIONAL CULTURAL EXCHANGE IN ASIA MOBILITY FUNDING GUIDE

This *Mobility Funding Guide* is a concrete output of the mapping of funding opportunities for international exchange in 19 countries in Asia. It was first released on culture360.org in September 2012 by the Asia-Europe Foundation (ASEF) with the cooperation of Arts Network Asia (ANA), Korea Arts Management Service (KAMS), Japan Center, Pacific Basin Arts Communication (PARC), and Tokyo Performing Arts Market (TPAM).

Its main objectives are to make available online the existing information on funding that supports the international mobility of artists and cultural operators in Asia and to provide input to funders on how to fill in the existing funding gaps for international cultural exchange in Asia.

The guide follows the existing model of the *Guide to funding opportunities for the international mobility of artists and culture professionals in Europe*ⁱ, produced by the Foundation Interarts, On the Move and PRACTICS.

In this Asian edition, you can find funding opportunities by country in most artistic and cultural disciplines. The guide lists national resources when available, as well as regional and international sources of funding - be they public or private. Only regular opportunities accessible online are listed. Not included are: funds for which information is only available offline, funds that are not based on open calls, and ad hoc or short-term funding.

For a full overview of the methodology and scope of the research, please refer to the publication's *General Introduction*ⁱⁱ.

This guide is an attempt to gather all the resources in one document and is by no means complete. As we aim to update it on a regular basis through further research and input from the field, your feedback is crucial.

You can send your feedback to: funding@culture360.org

ⁱⁱ <http://culture360.org/asef-news/funding-opportunities-for-international-cultural-exchange-in-asia>

ⁱⁱⁱ These funding organisations are extracted from the **Mobility Funding Guide - Focus on Asia** (<http://culture360.org/asef-news/funding-opportunities-for-international-cultural-exchange-in-asia>). Knowing that the **notion of "Asia"** does not always encompass the same number of countries and depends on each organisation's scope, for each scheme we have tried as much as possible to **list only the Asian ASEM countries from which applications are open**.

^{iv} The notion of "emerging" and "developing" countries does not always refer to the same countries for the identified funding organisations. We have tried as much as possible to list the eligible countries from the Asian ASEM member-countries under the various denominations.
