Festival for Contemporary Dance and Performance 17th edition

For the forth time, the biennial Bulgarian Dance Platform will be presented as part of the 17th edition of the Antistatic International Festival for Contemporary Dance and Performance, which will be held in Sofia, Bulgaria, from 13 to 23 May 2024.

The festival brings together a collection of **choreographic works performed by selected independent dance artists**, who explore the boundaries of choreography and movement and aim to challenge aesthetics and forms.

Alongside the main performance events, the festival will hold some **special meeting gatherings with artists**, stimulating day discussions, and lots of fun in the evenings.

The Bulgarian Dance Platform offers guests special discounts with partner hotels. The full BDP#4 programme will be announced in March 2024.
