### Call for Papers: Scientific and Technical Museums | France

French journal *Cahiers d'histoire du*

**Cnam**, published by CNAM, France's National Conservatory of Arts and Crafts, will publish a **special issue on scientific and technical museums in June 2016**. A call for papers focusing on these issues has recently been launched. The special issue will aim to examine **collections, museum management, exhibition design, museum development strategies, education and the uses of the new technologies**. Papers presenting a comparative analysis of different museums are eligible, as are those that may present a historical perspective on the evolution of scientific and technical museums. Likewise, authors may approach the subject matter from a variety of academic disciplines, including economics, sociology, heritage, history, communication, etc. The issue is coordinated by Rebecca Amsellem, (Université Paris 1 Panthéon-Sorbonne and HT2S/Cnam), Serge Chambaud (President, Association Française pour l'Avancement des Sciences, former Director, Museum of Arts and Crafts and HT2S/Cnam), and Dominique Poulot (HiCSA/Université Paris 1 Panthéon- Sorbonne). Initial **abstracts should be sent by 1 July 2015**. If selected, full papers should be submitted by 15 November. For **additional information** on the call and selection procedure, please visit <http://technique->
