Festival 2024

The 12th edition of Tini Tinou International Circus Festival will be held from 22 to 27 November 2024 in Battambang, Cambodia. The festival is co-organised by Phare Ponleu Selpak and Phare, The Cambodian Circus.

Tini Tinou – meaning ‘here and here’ in Khmer – is a **biennial circus arts festival** that brings the world of circus to Cambodia, contributing to the cultural and artistic heritage of Battambang.

This year is set to become the biggest-ever edition of Tini Tinou with **artists and circus troupes from 12 different countries**, including **Japan, Korea, India, France, Germany, Australia, Viet Nam, Lao PDR, and Thailand**. They will be performing on the Phare Ponleu Selpak campus and throughout the city of Battambang.

The circus festival will include a mix of **workshops, exchanges, artist talks, nightly circus shows, pop-up performances** throughout Battambang, a circus street parade, and a grand finale closing

concert.

The week-long festival will also include the **Annual General Meeting of Circus Asia Network (CAN)**. Created by Seoul Street Arts Creation Center in 2017, CAN brings together **13 circus organisations and institutions from across 7 different Asia-Pacific countries** for the purpose of developing contemporary circus in the region through long-term exchange and fostering programmes.
