culture360.ASEF.org is delighted to be the media partner of **Art Jakarta 2023**.

Art Jakarta, Indonesia's flagship art fair, returns for its annual edition on **17-19 November 2023**, hosted at **JIExpo Kemayoran, Jakarta**.

As a Southeast Asian-focused art fair, this edition promises to be a vibrant international platform for contemporary art exchange to stakeholders of this important art ecosystem. This year, the Fair will be welcoming 68 domestic and international galleries from neighbouring Southeast Asian countries such as **Malaysia, Singapore, Thailand, the Philippines, and Vietnam**, including exhibitors from Australia, China and East Asia.

The artistic works on display will attract collectors, connoisseurs, and enthusiasts to explore and appreciate contemporary artworks across a diverse range of mediums, under the Fair's signature programmes. This includes **Art Jakarta Spot**, a platform for special presentations of art installations that have been tailored specifically to the Fair, and **Art Jakarta Scene**, a section for artist collectives and non-profits to raise funds for their respective causes.

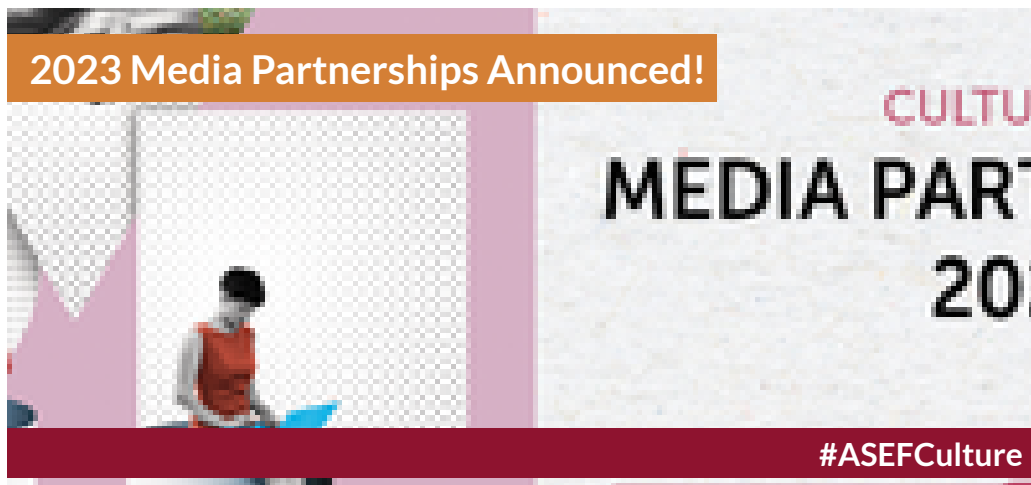

Beyond presenting artworks on display, Art Jakarta remains committed to sparking discourse and inspiration through engaging talks, workshops, and panel discussions.
