Design Festa | International Art Event | Tokyo

Design Festa is a bi-annual international art event where people can submit an application to exhibit their original artworks. An average of 8,500 artists exhibit, buy and sell their works in a variety of mediums, making this two-day event one of the largest one of its kind in Asia.

Deesign Festa is divided into 7 main areas that mix indoor and outdoor spaces, as well as live stages, restaurants, and cafes. Artworks filled with creative spirit are showcased within a multidisciplinary platform that includes performing arts, culinary art, and impromptu performances featuring cutting-edge fashion, catwalk shows and much more. This edition has allocated space in the Atrium area for artists to donate postcard art for sale. All proceeds will go to the Japanese Red Cross Earthquake fund. [See event's timetable](#)
