culture360 at the European Development Days 2019 (EDD)

culture360.ASEF.org will be at the European Development Days 2019 (18-19 June 2019) in Brussels, Belgium. EDD 2019 is Europe's leading forum on development organised by the European Commission since 2006. The forum brings the development community together yearly, to share ideas and experiences that inspire new partnerships and innovative solutions to the world's most pressing challenges.

Under this year's topic :"**Addressing inequalities: building a world which leaves no one behind**", culture360.ASEF.org will present a stand at the EDD Village addressing the **challenge of inequalities and why they matter for sustainable development**. Since its inception in 2008, culture360.ASEF.org has provided public digital access to information on arts and culture to 51 countries in the ASEM region.

We look forward to welcoming you at **EDD Global Village stand 26**, an exciting platform featuring stands that showcase successful projects and ground-breaking reports from around the world. The village will be the focal point of the EDD 2019 venue and will serve as a crossroads for interaction, innovation and networking among participants.
