Focus + Indonesia | mobile artist residencies | slideshow

Focus + Indonesia is a series of mobile artist residencies that took place across Indonesia, in response to local community needs and in support of cultural education between Indonesia, Poland and Germany. It is one of the 2014 projects that were selected under ***Creative Encounters: Cultural Partnerships between Asia and Europe*** by the **Asia-Europe Foundation (ASEF)** and **Arts Network Asia (ANA)** in collaboration with **Trans Europe Halles (TEH)**.

During this first phase, several events and workshop took place in Bali, Yogyakarta, and Jakarta. This photo gallery captures some of the project's highlights in presence of Polish artists as well as Indonesian artists and youth groups.
