Jaipur Photo 2017

 **matias-img1 A Festival on Wanderlust: 24 February – 5 March 2017.** JaipurPhoto is an international open-air travel photography festival held every February in the Pink City. It offers a curated selection of photography inspired by the notion of journeys and visions as an outsider staged at various public locations across Jaipur. The visitors are invited to discover its remarkable heritage while by visiting the large-format exhibitions, which are often site-specific.

Please stay tuned for updated information on an **exciting photobook workshop** for photographers and our list of speakers for the opening weekend (24th -26th Feb) during which time we hope JaipurPhoto shall become a unique platform for contemplating and thinking about photography. The festival is proud to announce that Federica Chiocchetti of the **Photocaptionist** will be the guest co-curator for the 2017 edition.
