My French Film Festival Online this January

MyFrenchFilmFestival is back

for its third edition, from 17th January to 17 February, 2013. Audiences will be able to vote for their favorite films from the 10 feature films and 10 short films in the competition. In addition to these, the festival also showcases two Canadian films and a French cinema classic, Crooks In Clover. MyFrenchFilmFestival has expanded this year to include a fourth award: the Jury Prize. Led by **Michel Hazanavicius**, this jury composed of directors from the four corners of the globe will honor one of the feature films in competition. Available in twelve languages, films presented at the festival will be accessible free of charge on the MyFrenchfilmFestival.com platform in Poland (as well as on Orange Polska), China (exclusively on

Youku and Tudou), Russia (also on Now.ru), Turkey, and Latin America. iTunes has joined forces with MyFrenchFilmFestival for this third event, offering the selection of feature films in seven languages in a host of countries around the world. Numerous Web platforms have also joined us this year to present the festival: Dailymotion (worldwide), Curzon on Demand (UK), Eurocinema (USA), Filmin (Spain), Flimmit (Austria), GoodMovies (Germany), Illico (Quebec), LeKino (Switzerland), Numericable (France), UniversCiné (France and Belgium), Volta (Ireland), Vudu (USA), and Yomvi de Canal + (Spain). In the lead-up to January 17, you can access a detailed presentation of the festival, its line-up, program, juries, and photos by [clicking here!](#)
