New arts and culture organisations from Bangladesh published

culture360.ASEF.org is pleased to announce a new directory of arts and culture organisations from Bangladesh now available online. Researched and updated by the **Samdani Art Foundation** in Bangladesh. The updated Directory includes **46 organisations** featuring museums, independent art spaces, festivals, public institutions, theatres and more.

The Organisations Directory includes over 1,600 organisations in 51 countries of Asia and Europe. It is searchable across various disciplines: from performing arts to visual arts, new media, film, craft and many more.

If you are looking for partners or simply researching about the arts scene in Bangladesh, this Directory will be the perfect starting point!

Special thanks to Ruxmini Choudhury for her contribution to this Directory update.
