culture360.ASEF.org is pleased to announce a new directory of arts and culture organisations from the Czech Republic now available online. Researched and updated by the **Arts and Theatre Institute in Prague**, the updated Directory includes **79 organisations** featuring museums, independent art spaces, festivals, public institutions, theatres and more.

The Organisations Directory includes over 1,600 organisations in 51 countries of Asia and Europe. It is searchable across various disciplines: from performing arts to visual arts, new media, film, craft and many more.
