*As a visual artist using photography as medium to challenge our appreciation of cities, I could not resist the possibility of documenting my **perspective of the Asian Metropolis** nowadays.*

*In the peripheries of Beijing, Busan, Tokyo, Hiroshima, Hong kong, Seoul or Chongqing I discovered the multiple relations of the growing mega city and its surroundings . Somehow, I witnessed the confrontation between nature and the imposing satellite towns.*

*In these contrasted landscapes I pretended to unveil the beauty that unfolds in the city limits of Asia's new towns.*
