# Singapore's Peranakan Museum goes to Korea

Singapore's Peranakan Museum is

travelling to Seoul, Korea!

***The Peranakan World: Cross-cultural Art from Singapore and the Straits National Museum of Korea 19 March - 19 May 2013***

Southeast Asia comprises various cultures and communities, many of which are indigenous, but some have been formed by unions between foreign traders and local women. **This exhibition showcases the Peranakan culture, a unique hybrid culture in Southeast Asia. The "Peranakan" are descendants of Chinese traders who married women in Southeast Asia and settled in the region.**

On exhibit are Peranakan objects produced between the latter part of the 19th century and early 20th century when Peranakan culture flourished. The objects were drawn from collections held by the **Peranakan Museum**, a component of the **Asian Civilisations Museum** in Singapore. Visit the ornaments, costume, ceramic ware, and portraits of the Peranakans and learn about their unique culture.
