Aarhus Art Building | call for proposals

The Aarhus Art

Building presents experimental and thought-provoking contemporary art by Danish and international artists. The annual open call for proposals to curators and artists is announced for 2012.

An **Open Call for Proposals** encourages **curators and artists** to send in their exhibition proposals and ideas to the Aarhus Art Building in relation to an annual theme formulated by the curatorial director. The theme for 2012 is **EGO?**

Visual artists and curators are invited to propose projects for 2012

The Austrian psychoanalyst Sigmund Freud is viewed by many people as the originator of a particular canonical understanding of the subject which has gained definitive general adherence. [See website for more details](#) on the theme of EGO?

We are issuing an Open Call for Proposals for 2012. We are looking for proposals for group exhibitions and solo exhibitions, recent or older films and performances.

Guidelines can be found in 'procedure' under 'For professionals / Open Call' on the frontpage. The guidelines must be followed in the application to make it eligible for consideration.

Application deadline January 5th 2011.
