Annecy Festival | Mifa Pitches call for animation projects in development

Each year, the Mifa Pitches at the Annecy Festival showcase the best in original animation projects in development, in four categories: Feature Films, Short Films, TV Series & Specials and Digital Experiences. Open on an international level, the selection reflects young creation on the world scene.

In 2015, an additional category, **Animation du Monde** saw the light of day, targeting projects from countries where animation is emerging and providing a unique way to discover a different creativity and awareness.

Submit your projects and give them the chance to be presented in front of animation professionals and enthusiasts. A number of the projects can also win prizes through the participation of our loyal partners.

Opportunities for participants

- Free Mifa accreditation
- Project visibility via the Festival's communication media
- Day Workshop led by animation experts to learn pitching skills
- Present your project to professionals
- Be spotted by financial investors to accomplish your project
- Compete for a partner's prize

The Mifa Pitch sessions take place Tuesday 16th to Thursday 18th June 2020

Deadline for proposals: 5 February 2020
