Archisle | International Photographer in Residence | Channel Islands

 The Archisle residency is an exciting post in its second year commencing in March/April for a period of six calendar months through to August /September 2014. The residency provides the following key benefits and opportunities:

- £10,000 bursary for the commission/production of a body of work and solo exhibition
- Studio space with access to inkjet printing and office/internet resources
- Living accommodation and stipend
- Travel costs

Archisle: The Jersey Contemporary Photography Programme, hosted by the Société Jersiaise (Jersey Society) in the British Channel Island of Jersey promotes contemporary photography through an ongoing

programme of exhibitions, education and commissions. The *Archis/e* project connects photographic archives, contemporary practice and experiences of island cultures and geographies through the development of a space for creative discourse between Jersey and international practitioners.

A key focus of the *Archis/e* project is to engage the residency programme with Jersey culture and community through audience and participatory involvement. In addition to the production and solo exhibition of new work responding to the cultural context of the island of Jersey, the resident will be contracted to teach photography one day per week (or equivalent) over the six month duration of the project. This teaching will be delivered in a workshop format to a range of educational and community groups. Applications are therefore encouraged from practitioners possessing the desire, enthusiasm and a proven ability to impart technical skills and develop critical understanding of contemporary photography across a diverse range of participants.

Applicants are requested to submit:

- Examples of recent work (min 10/max 20 images)
- Statement describing current practice
- Statement of objectives for the residency including an outline commission/exhibition proposal
- A current CV including details of past exhibitions/publications
- An estimate of travel costs to Jersey

Applications may be made by post or email - see website for file size info.

CLOSING DATE: 10th September 2013
