# Call for Info-graphic Designers

 CE\_OpenCallfinalC360

The Asia-Europe Foundation (ASEF) is commissioning info-graphic designers to develop creative info-graphics that will be used in ASEF's events, reports, publications and brochures related to arts & culture.

The info-graphics to be created will use information generated from ASEF's various arts & culture projects such as artistic collaborations, policy workshops, ministerial meetings, museum networks etc. Read more about ASEF's work in the arts [here](#).

The data visualizations will be linked to the overall theme of Asia-Europe cultural collaborations (e.g. artists collaborating, mobility of cultural professionals, creative industries, heritage etc). So, we are looking for designers with particular expertise in infographics for the cultural sector. Designers will work in consultation with the Culture Department at ASEF.

Several different info-graphics are to be commissioned in the course of 2016.

Freelance designers and design companies from any of the 51 member countries of the Asia-Europe Meeting (ASEM) are invited to send their expressions of interest. See the list of countries [here](#).

**Your expressions of interest must contain:**

- Name
- Country
- Contact details: phone & email
- Samples of your previous work/link to your website

Send your info to [opencalls@culture360.org](mailto:opencalls@culture360.org) with subject line Open Call for Info-graphic designers by 17 July 2016.

We look forward to working with you to jazz up our reports!
