DEADLINE
09 OCT 2023

Cambodia | 19th Angkor Photo Workshops

The Angkor Photo Festival & Workshops, 19 – 28 January 2024 in Siem Reap, Cambodia, is calling for applications from photographers of all Asian nationalities aged 21 and above.

For the 19th Edition, a group of **20 selected participants will be collectively led by 6 tutors and alumni facilitators.**

The workshops welcome all methods and approaches to the medium of photography. However, the organisers believe it is important to foster photographic practices which **position themselves in and with the world.** As such, they encourage applications from participants who are keen to

create 'outward facing' work, whether as part of their ongoing practice, or as a new invitation to return to it.

During the workshop, participants will create a body of work, which will then be shared with the public as part of the festival's programme.

Eligibility and requirements

- Open to all photographers of Asian nationalities aged 21 years and above
- The workshop is conducted in English
- Participants will have their own photographic equipment and laptop

Expenses and accommodation

- There is no application fee, and if selected, the workshops are free
- Accommodation will be provided from 19 – 28 Jan 2024
