Click About It | international photography competition

CLICK ABOUT IT is a series of international photography competitions organised by the **European Journalism Centre** (EJC) in Maastricht, the Netherlands.

Since its launch in 2010, the competition has featured inspiring and insightful photography from professional and amateur photographers across the world.

The CLICK series aims to create a mosaic of images from all corners of the globe to showcase how local communities and people are striving to survive in the ever-changing society.

The theme of this year's competition - CLICK4 - is "**Crises & Disasters**".

Two overall winners (1x professional and 1x amateur) will be selected to go on a **theme-related reporting trip** organised by **European Journalism Centre**. The costs covered will include the flights, accommodation and meals during the reporting trip. The organisers do not arrange and cover other extra expenditures such as the fee for passport renewal, vaccination and travel insurance. The short-stay visa fee will be reimbursed.

Other monetary prizes are foreseen for runners-up.

Deadline for submission: 29 October
