# CultTech Accelerator 2025

CultTech is calling for applications for its 2025 Accelerator, which supports early-stage startups to become an attractive business proposition for fundraising. They work in the areas of visual arts, performing arts, music, film, publishing and heritage.

**CultTech is at the intersection of culture and technology for the benefit of society**, with an aim of making **creative culture accessible and sustainable through technological innovation**. The programme duration is **6 months** and will require a time commitment from each team of 3–5 hours a week. This includes weekly training sessions, up to 20 hours of mentorship, and **in-person meetings at a European destination in June and November 2025**.

The programme is for registered legal entities with an MVP, and with a mission that is aligned with Culttech's vision and values.

The programme requires a deposit (which will be returned on successful completion of the programme) and there will be a success fee paid to those who are able to raise funds after the programme.
