2026

Atelier Josepha in Ahrenshoop, Germany, is calling for applications from international artists for a 3-week residency between September and December 2026.

Atelier Josepha brings together **nature and art under the central theme of the Baltic Sea**. It promotes critical reflection on the **historical and current circumstances of the region**. The residency stands in a tradition of cultural cooperation and exchange within the area and is

inspired by the need to reflect on our mutual environment and shared seas – both as forces of nature and in their increasing vulnerability.

## Eligibility

Atelier Josepha invites **artists of all disciplines** to Ahrenshoop. The call is addressed to **solo artists only**. Eligible artists (no age limit) must **be resident of a country that borders on the Baltic Sea**. Residents from other European countries can exceptionally apply as long as they have some close and established connection to the Baltic Sea region.

## Funding

- Use of Atelier Josepha and lodging in the neighboring house (board not included).
- Stipend of 1,500 EUR (500 EUR per week of stay)
- Travel expenses to and from Ahrenshoop (by train where possible, flights where necessary)
- Artists' materials up to 250 EUR (proof of expenditure required)
