IAFOR Documentary Film Award 2016

 IDFA2016-Website-Slider-1600x583

Supported by **The International Academic Forum** (IAFOR), the **IAFOR Documentary Film Award** is a global competition celebrating the best in documentary filmmaking. Documentary has a rich history of exposing truths, telling stories, raising awareness and creating discussion – all practices valued at IAFOR.

In this competition, content is king. We welcome submissions drawing on compelling subject matter from any imaginable topic. Production quality is valued, but not the sole basis for judgment. This is an open competition, welcoming storytelling from both amateurs and seasoned professionals.

The IAFOR Documentary Film Award 2016 is hosted by **The Asian Conference on Media and Mass Communication** (MediAsia2016) and **The Asian Conference on Film & Documentary** (FilmAsia2016).

One Grand Prize Winner will receive a cash prize of \$1,000 USD.

Winning entries will also be awarded a mentorship session with an industry professional and admission to an upcoming IAFOR Film or Media Conference in Asia or Europe – a fantastic opportunity to learn more about the craft and to network.

The logo for the IAFOR Documentary Film Award is inspired by the Japanese kanji “目”. The meanings of “目” range from eye, eyesight, sight, vision, look, stare, glance, to encompass experience or viewpoint. 目 is our opportunity to focus, share and engage our own visions, perspectives, and insights with each other, to keep an eye on those things that interest and inspire us as they happen and evolve.
