Australia and Asia-Pacific

ISEA, the 19th International Symposium on Electronic Art, takes place in Sydney in 2013. ISEA2013 is looking for interesting places and organisations around Australia and the Asia-Pacific to host residencies in the lead up to the event.

The call for suggestions was put out by [ISEA2013 on Twitter](#) - **there is no set deadline** - send your suggestions direct to ISEA2013.

ISEA2013 is a mind-changing feast of art and ideas that will introduce new ways of seeing and living the city. This international event will open a whole new world of interactive digital art to Australia. ISEA2013 will use Sydney as the playground where the public is immersed in ground-breaking creative works in and outside of the gallery. ISEA is one of the most significant international events in the field of electronic art and digital media, attracting global leaders in the field. Presented by [ANAT](#) and held alongside [Vivid Sydney](#) - a festival of light, music and ideas - ISEA2013 will include an academic conference, a wide and varied public art program and thinkers program.
