Pramana Asian Film Festival is calling for short and feature films produced or co-produced in Asia. Selected films will be screened in Reggio Calabria (Southern Italy), 5–7 April 2023.

A recent edition to the circuit, Pramana Asian Film Festival is a young independent film festival dedicated to films from the Asian continent. The festival was created by **three Southern Italians and Koreans** who studied together in Milan and it is managed by a cultural non-profit organisation based in Calabria. In April 2022, they organised the first edition at the Cine Teatro Metropolitano in Reggio Calabria, which involved 23 films from 17 countries.

The films admitted in the Official Selection will compete for the following prizes:

The winner of the prizes will be awarded a trophy made by Nicola Tripodi, an artist based in Reggio Calabria who crafts clay works taking inspiration from Calabrian rituals and folklore.
