K*MoPA Young Portfolio 2019 - call for photo submissions

Call for submissions for Young Portfolio, a program organized by the Kiyosato Museum of Photographic Arts (K*MoPA) to support young photographers from around the world by exhibiting and acquiring their works for our permanent collection.

Anybody under the age of 35 is welcome to submit their works. We are looking for works by devoted photographers who are passionate about their creative efforts.

Please check the submission process carefully.

There is an obligatory **application fee**, after which you submit your actual work by **sending it to the Kiyosato Museum in Japan. The actual work submitted must arrive by the deadline: 15 May 2019**

It is not a contest in which people are only eligible to win a prize once. Multiple submissions may be made up until the age of 35. We hope that by selecting works by the same young artist on a regular basis, we will help build their confidence.

Young Portfolio is unique in that it invites the wider world to recognize the true value of these young artists' abilities while simultaneously preserving their work for posterity.
