Our City Festival 2012 Phnom Penh | open call

Our City Festival 2012 welcomes proposals from artists, architects and other sectors that explore 'urban currents' as movement, changes, shifts, exchanges in and with the city; affecting its people, structures, environment, culture, society, economy and communication.

To make the programme as exciting and challenging as possible, the festival is interested in ideas from different disciplines and formats: exhibitions, interventions, talks, films, workshops, tours, walks, classes and others.

The festival is a yearly event that brings together the creative forces of Phnom Penh to focus on urbanism. It is an opportunity and a platform for creation, discussion and cultivating communities. Started in 2008, OCF is powered by not-for-profit **JavaArts**.
