Poland | 15th WRO Media Art Biennale | open call

Submissions are invited from digital/electronic media artists for **PIONEERING VALUES: The 15th WRO Media Art Biennale**, whose opening events will be held in Wroclaw from May 8th-11th 2013.

The WRO Media Art Biennale is the major forum for new media art in Poland, and one of the leading international art events in Central Europe. Since its inception in 1989, WRO has been presenting art forms created using new media for artistic expression and communication, exploring current creative territories and building a critical perspective toward emerging issues in art, technology and society.

Over the years, the WRO Biennales have raised a variety of questions about creative approaches to new technologies and the creative crossover realms that arise where art and science, economics and social activism intersect.

Deadline: 15 December

The WRO 2013 program is open to various forms of creative artistic expression and communication made using electronic and/or digital media and completed after January 1st, 2011.

The following prizes will be awarded during the WRO 2013 Biennale to works chosen from among those selected for presentation:

- The WRO Biennale Award;
- The Critics & Alternative Art Publishers' Award; and
- The WRO Audience Award.

Entry Form for submissions in English and Polish
