Seoksu Art Project residency

International

artists residency opportunity in Anyang, a new town on the edge of Seoul, Korea. The residency is based in Seoksu Market, with creative workspace alongside market traders. Open to all fields of visual arts, design and architecture.

Supplement Space STONE&WATER is a nonprofit multi-arts space situated near Anyang River and within Seoksu Market. Its aim is to propel various experimental artistic activities and projects through which art and life merge.

STONE&WATER has contributed to the development of art and culture in the local area of Anyang, having an impact on not only the art world but in many areas of the society.

Since 2007 STONE&WATER has organized a project that merges residency programme, festivals, education and volunteer programs under the name "Seoksu Art Project (SAP)". SAP has been performing the role of

a “global” platform of communication. The international residency programme facilitates close contact with the local community by transforming the idle space within the traditional Seoksu Market into a creative space.
