## SHE IS MORE: competition celebrating women through art

**SHE IS MORE: Celebrating the Value of Women through Art** - [Impact Investment Exchange \(IIX\)](#) in Singapore is inviting young artists aged 10-18 across the world to celebrate the value of women through art.

**Competition deadline:** 9 April, 2019

**Open to:** International

**Website:** <http://www.iixglobal.com/ShelsMore>

**About SHE IS MORE:**

The value of a woman, like art, is beyond what the eye can see. A woman is one of the most dynamic individuals who often simultaneously assumes the role of caretaker, businesswoman, problem-solver, financier, peacemaker, teacher and community-builder.

The SHE IS MORE – Youth Art Competition will celebrate the spirit of everyday women by capturing their courage, strength, passion, empathy and overall value to the world we live in through art. It's time we value women as such.

Artists are invited to submit their own visual/performance take on the theme SHE IS MORE, for a chance to be exhibited at world-renowned Sundaram Tagore Gallery in Singapore.

The competition is open to all youths of any gender. Boys are more than welcome to submit their artwork.

Submit your visual or performance art that honors the women who are forces in your lives, and show your personal take on SHE IS MORE.
