Voices of Culture - brainstorming session and survey - contributions from European cultural sector invited

Voices of Culture, as part of the Structured Dialogue between the European Commission and the cultural sector, invites participation from European cultural sector stakeholders on the theme: **GENDER EQUALITY: Gender Balance in Cultural and Creative Sectors** and to suggest topics for future Structured Dialogue sessions.

The **Brainstorming Session on GENDER EQUALITY: Gender Balance in Cultural and Creative Sectors** represents the opportunity for a group of around 35 European civil society stakeholders in the cultural sector to exchange ideas on this topic and to present these to the European Commission. The group will brainstorm on 4-5 September 2019 in Prague, and then discuss the main ideas (to be summarised in a Brainstorming

Report) with representatives of the European Commission at a Dialogue Meeting in Brussels on 5- 6 of November 2019.

Who can apply?

The call is open to representatives of the cultural and creative sectors (professional organisations, cultural institutions, non-governmental organisations, European networks, foundations, private organisations, etc.) with relevant expertise on the topic “Gender Equality: Gender Balance in Cultural and Creative Sectors”, who would like to contribute to discussions with the European Commission. Organisations applying must be from one of the 28 EU Member States.

Deadline for completing the application form is 14 June 2019.
