Allianz Foundation

**ALLIANZ
FOUNDATION**

The Allianz Foundation is an independent foundation that aims to strengthen civil society, foster cultural innovation and accelerate the transformation of our societies towards carbon neutrality.

The Allianz Foundation pursues 3 strategic goals:

- **For empowered people** – Supporting the marginalized and creating equal opportunities
- **For open societies** – Promoting open, diverse and resilient societies
- **For a living planet** – Combatting climate change and protecting a livable planet

The Foundation promotes and supports people and organisations who face the challenges of our times. They support and connect risktakers from the areas of **civil society, environmental protection, and arts and culture** – everyone who dares to test new societal models of living together beyond the beaten path.
